

CLASS BULLETIN

We have now been back at Moorleigh for over a month and are adjusting well to the changes that have taken place. It is good to see the smiling faces of members who are happy to join their classes and meet again with their tutors and fellow members.

A special thanks to our tutors, continuing and new, who are providing such a diversity of subjects for our benefit.

There is much to look forward to in the following months. Keep in touch by visiting our new website, u3abentleigh.com.au or at the office.
