

CLASS NEWS MAY 2022

May has brought some changes to classes – Genealogy, the Coffee and Conversation Club, Your Pictorial Autobiography and Improve your English have been cancelled for lack of enrolment. We hope the latter two may resume later, in the second semester.

We are currently working on the schedule of classes for next semester. We can look forward to the return of Trivia Quiz, to a session on great archaeological sites from The Great Courses, a one-off session to learn about Basic Life Support, some special IT sessions and more. Details of these classes will be shown later on our website

We are experiencing many absences in some classes, possibly due to the weather, members able to take holidays and the ever-present Covid. So, keep aware and keep well.

Please watch the notice boards for posters of upcoming films - First Friday Flicks and the Italian Film on the first Monday of the month. Visitors are welcome to both these films.
